## SWAYAM NPTEL- Local Chapter

### NOTICE

SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds) is an Indian Massive open online course (MOOC) platform and an instrument for self-actualisation providing opportunities for a life-long learning. The learner can choose from hundreds of courses.

We are happy to announce that the Barasat Government College is now enlisted as NPTEL-SWAYAM Local Chapter.

SWAYAM-NPTEL has commenced enrolment for the online certification courses for both students and faculty in contemporary topics, for the upcoming semester of 2023. The sessions will commence from 24th July 2023. **Students must select Barasat Government College as local chapter during the enrolment time for a particular course.**

Advantages of enrolling to SWAYAM-NPTEL courses:

1. Successfully passing the SWAYAM-NPTEL online courses entitles the learners to obtain certificates that bear the stamp of Continuous and Comprehensive Evaluation (CCE), IIT and hence are valuable additions when the student is applying for jobs.
2. Many students are using these online courses to prepare for JAM/GATE/NET exams and higher studies as well. Such courses enable the students to directly engage and learn from the best faculty in the country, in that particular subject.
3. This strengthens the fundamentals of the students and also gives them the opportunities to explore new areas of interest - which are not actively possible in the regular college environment.

The start/end date and exam dates are as follows:
