NOTICE

No. 147/22-23

Date: 26 May 2023

The first programme for implementation of different ISO certifications for the institute will be held on **31 May 2023 (Wednesday)**. The ISO certifications will be targeted towards holistic quality management, environmental management and energy management of different components of the institute. All this will contribute to quality performance of the institute in NAAC assessment.

The programme will commence with a general awareness programme for all teachers at **11:30 am** in the **Seminar room**. After that, visits to individual departments for meeting with the teachers will be carried out till 4 pm. A report will be submitted thereafter about the modus operandi for going through the certifications for the maintenance of standard norms. All the teachers (including SACTs) are requested to be present by 11:15 am without fail.
