Hence, only the Gender Sensitization Committee will collaborate in this project as the issue does not strictly fall under the purview of the ICC.

- It was resolved that instead of organizing one single gender sensitization programme for the students of all the departments, this year onwards separate programmes will be conducted at the level of individual departments so that more students can benefit from the programmes.
- The sensitization programmes will be conducted by Debapratim Chakraborty as much as feasible.
- A notice will be circulated in the official Whatsapp group of the college requesting the departments to contact the ICC and work out the dates for the programmes on the basis of mutual convenience.
- The ICC will try to cover as many departments as possible before June 2022 when the current academic session ends.
