

## Department of Geography

### Barasat Government College

BGC Geography Alumni Group in collaboration with the Department of Geography, Barasat Government College has organized an online alumnus meeting on 28.06.2023 evening. About 100 alumni of the department along with the present teachers and students have participated in this event. In the said event, some alumni have motivated the present students about the prospects and opportunities of geography. Students were also interested in interacting with the ex-students. This programme was a part of regular communication with the alumni.
