

Report on workshops/ seminars (3.2.2) conducted by

DEPARTMENT OF HISTORY

Session: July 2022 – June 2023

International-seminar-on-understanding-gender-identity by Dept. of History on 16 Dec. 2022. Gender awareness is necessary because no one is ever completely able to 'step outside' of the social and cultural processes that partly shape our identities, values and perceptions, but we can still develop ways of reflecting and ways of interrogating ourselves, and this is very important for group work.
