About the Journal
AUREOLE (ISSN:0976-9625) is a peer-reviewed Multidisciplinary annual journal published by Barasat Government College since 2011. The journal is published in two separate volumes: one for the sciences and one for social sciences/humanities. As we celebrate the 75th Foundation Anniversary of our college, the Editorial Board of AUREOLE invites original research articles on various fields of the Humanities and Social Sciences from researchers and faculty at other institutions. This milestone edition aims to reflect our institution's academic journey, showcase emerging scholarships, and encourage thoughtful interdisciplinary approaches.
