

STUDENTS' WEEK CELEBRATION, 2023

By

BARASAT GOVERNMENT COLLEGE

DAY 1, 02/01/2023

In the First session Dr. Jaydip De, Assistant Professor of Geography, Barasat Government College has delivered a lecture on "Career Opportunities for Undergraduates and Post Graduates General Stream Students".

In the Second session, Sri. Dibyendu Sekhar Mahanty, Assistant Professor of Botany, Barasat Government College discussed about Career Opportunities in Biological Sciences: A Global Perspective. We are honoured to have Dr. Amit Mitra, Assistant Professor (Pharmacogenomics), Harrison College of Pharmacy, Auburn University, USA as Invited Speaker in this session who lucidly explained different career options after M.Sc./Ph.D. in abroad for Bioscience students.
