## UNIVERSITY SUPPORT CELL

The university support cell is designated to focus on solving university-related issues frequently faced by students. This is a student-centric cell which works to offer every possible support to students as well as provide strong, cordial and prompt action to resolve any type of university-related problems. The cell always tries to guide the students to handle adverse situations promptly and thereby develop a positive attitude towards the facing of challenges of life. The cell has been constituted to provide all sorts of support to solve university-related problems that will be helpful for the students to pursue their higher studies.

The Cell provides all sorts of necessary University related information to the students. The Cell members even advice the students on course related issues, options and modules, choices, all sorts of academic rules and regulations etc.

The members of the University Support Cell with the immense support of Principal Sir, Teachers' Council Secretary and other teachers are successful in solving various types of University related problems. The students of all the Departments can approach the Cell with their University related problems. The Cell seeks to give all sorts of necessary advice to the students.
