

The World Bicycle Day has been celebrated on 3<sup>rd</sup> June-2022 by NSS Unit Barasat Govt. College. The United Nations General Assembly declared June-3<sup>rd</sup> as International World Bicycle Day. Bicycle has been considered to be the simple, affordable, reliable and environmentally fit sustainable means of transport.

World Bicycle Day is a special day meant to be enjoyed by all people. On 3<sup>rd</sup> June-2022, NSS volunteers and other students of Barasat Govt. College along with our Principal sir and other teachers rode the bicycle and move around the college campus. The main purpose of celebrating the World Bicycle Day is to spread awareness among people about the benefits of cycling. Several students rode the bicycle, holding different colourful placards, showing the importance of cycling. Several charts have been pasted in the notice board in order to show the significance and objective of celebrating World Bicycle Day. In this way the students under the guidance of NSS Unit have celebrated the World Bicycle Day.
