Sub: CAREER GUIDANCE PROGRAMME FOR THE STUDENTS OF YOUR
INSTITUTION

Sir/Madam,

Government of West Bengal has introduced career guidance programme for students of the state to help and guide them for employment. In the backdrop of the unemployment scenario and the plight of our students, they must be informed about the government sponsored employment opportunities which are specially meant for them.

The programme will include information and discussion on government sponsored benefits for the job aspirants of the state, career information and method for informed scientific choice of career.

We would like to conduct two such programmes in your institution, addressing different batches of students on 12.11.24 & 18.11.24 at about 12.30 pm in the afternoon for about an hour. It would be kind of you to let us conduct the programme in a room or hall where there will be ICT facilities. Look forward to having an enriching session with the students of the school.

Thanks and regards
