

Academic Audit for the Year 2021-22
[July 2021 – June 2022]

Academic Audit is an integral part of the dynamics of higher education to achieve and maintain academic excellence. It is an essential component of quality enhancement in Higher Education Institutions. As per the decision adopted in the IQAC meeting a team has been formed from the IQAC members to carry out the Academic Audit of all the Departments of the College for the said period. It aims to document evidence-based information related to the quality of academic programmes. The Academic Audit encourages a culture of continuous evaluation and quality improvement with sustenance of best practices of the different academic programs.

The Academic Audit process was introduced during the academic year (2020-2021) by the IQAC and then in academic year 2021-22, some more academic audit parameters have been introduced to evaluate the UG & PG curriculum, teaching, learning methodologies and to ensure continuous improvement for quality assurance.

Following are the details of academic audit committee which was formed in the academic year 2021-22:

A) The Internal members:

1. Dr. Abhijit De, Associate Professor of Physics
2. Dr. Prabir Bhattacharya, HOD, Department of Chemistry
3. Dr. Arup Bandyopadhyay, Associate Professor of Chemistry
4. Dr. Nisith Ch. Das, HOD, Department of Mathematics

B) The External member:

1. Dr. Partha Pratim Dasgupta, Principal, Barasat College
2. Prof. Rajat Bandopadhyay, Professor, Dept. of Biotechnology, University of Calcutta
3. Prof. Narayan Ghorai, Professor, Dept of Zoology, West Bengal State University

The Objective of the Academic Audit are:

- To bring every department to external scrutiny.
- To update the teaching, learning, evaluation methods and extra curricular activities.
- To make suggestions for improvement to the Departments for necessary changes.
- To achieve the goal of updated curriculum and revised learning and evaluation methods. (UGC and National Curriculum)

Methodology:

After close examination of the information sheets furnished by the departments, priorities of the audit are determined. Detailed discussions with the faculty of the department about all aspects of academics and other allied activities are made. All the records are examined to find out the strength and weakness. Facilities showcasing the teachers' and students' activities like Wall Magazine, Seminar Bulletins, Annual Reports and Activities Albums are accessed and duly analysed to evaluate the quality of teaching-learning.

Reports:

On the basis of thorough checking of the data submitted by different departments of the college and the inspections to all the departments the following strength and weakness of individual department are sorted out.

ACADEMIC AUDIT REPORT SUMMARY:**Academic Year: 2021-22****I Physics Department (UG & PG)**

- 1) Intake Capacity: UG: 65 PG: 29
- 2) Number of Students:
 - (A) Under Graduate Section: (Hons only)

UG SEM-I/II: 17	UG SEM-III/IV: 23	UG SEM-V/VI: 16	Total: 56
-----------------	-------------------	-----------------	-----------
 - (B) Post Graduate Section:

PG SEM-I/II: 21	PG SEM-III/IV: 24	Total: 45
-----------------	-------------------	-----------
- 3) Number of Sanctioned Teaching Post: 12
- 4) Number of Teachers:

(i) Professor: 1	(ii) Associate Prof.: 7	(iii) Asst. Prof.: 2	SACT-I/II: 0	Total: 10
------------------	-------------------------	----------------------	--------------	-----------
- 5) Teachers-Students ratio: 10 Students/Teacher
- 6) Number of Dropout students:
 - (A) UG Dropout:

SEM-I: 20	SEM-II: 5	SEM-III: 2	SEM-IV: 0	SEM-V: 0	SEM-VI: 0	Average: 5
-----------	-----------	------------	-----------	----------	-----------	------------
 - (B) PG Dropout:

SEM-I: 6	SEM-II: 0	SEM-III: 0	SEM-IV: 1	Average: 1.8	Students/Semester
----------	-----------	------------	-----------	--------------	-------------------
- 7) Result:

UG:	No. of final year students whose credit score > 8: 16	out of 16	Percentage: 100%
PG:	No. of final year students whose credit score > 6: 24	out of 24	Percentage: 100%
- 8) Number students received financial assistance:

(i) Scholarship: 66	(ii) Only Half/Full free: 0	(iii) Total: 66 out of 101 (65%)
---------------------	-----------------------------	----------------------------------
- 9) Number of Publication by Faculties:

(i) Number of Journal/article publication: 22	(ii) Number of Book publication: 0
---	------------------------------------
- 10) Number of Wall magazine: 0
- 11) Number of students participated in Seminar & Extra-curricular activities: 41 out of 101 (41%)
- 12) Number of students taking higher studies:

(i) UG: 12 out of 16 (75%)	(ii) PG: 6 out of 24 (25%)
----------------------------	----------------------------

Strengths of the Department:

- 1 Excellent students academic performance
- 2 Teachers-students ratio is very good
- 3 Students financial assistance is satisfactory.
- 4 Many of UG passout students taking higher studies
- 5 Physics is taught in both UG and PG levels. Faculties also, have strong research Groups working in various branches of theoretical and experimental physics. Thus, students are encouraged to interact with the faculties. This direct contact with the students is an attraction for students of all sections.
- 6 A very good academic profile of the faculties, 90% of which possess Ph. D. degree as the highest degree from prestigious universities and national level organizations. This is certainly a quite strong point in favor of the department. Existing Laboratory support staff have been very eager to do department activities assigned to them.

Weakness of the Department:

- 1 Due to Covid pandemic no Govt grant was received during the academic session and hence Dept has been facing laboratory maintenance problem.
- 2 Computer laboratory needs to upgrade
- 3 More elective papers need to be added in PG course and hence need more faculties & classroom.
- 5 Absence of student's publication in form of magazine/ wall magazine.
- 6 Students' participation in Seminar & Extra-curricular activities is moderate.

- 5) Teachers-Students ratio: 18 Students/Teacher
- 6) Number of Dropout students:
 - (A) UG Dropout:

SEM-I: 21	SEM-II: 0	SEM-III: 0	SEM-IV: 0	SEM-V: 0	SEM-VI: 0	Average: 3.5
-----------	-----------	------------	-----------	----------	-----------	--------------
 - (B) PG Dropout:

SEM-I: 2	SEM-II: 0	SEM-III: 0	SEM-IV: 1	Average: 0.8	Students/Semester
----------	-----------	------------	-----------	--------------	-------------------
- 7) Result: UG: No. of final year students whose credit score > 8: 17 out of 17 Percentage: 100%
 PG: No. of final year students whose credit score > 6: 29 out of 28 Percentage: 104%
- 8) Number students received financial assistance:

(i) Scholarship: 59	(ii) Only Half/Full free: 0	(iii) Total: 59 out of 123 (48%)
---------------------	-----------------------------	----------------------------------
- 9) Number of Publication by Faculties:

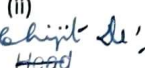

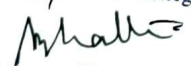

(i) Number of Journal/article publication: 13	(ii) Number of Book publication: 0
---	------------------------------------
- 10) Number of Wall magazine: 1
- 11) Number of students participated in Seminar & Extra-curricular activities: 31 out of 123 (25%)
- 12) Number of students taking higher studies: (i) UG: 9 out of 17 (53%) (ii) PG: 11 out of 28 (39%)

Strengths of the Department:

- 1 Performance of UG and PG students are excellent.
- 2 Highly dedicated and enthusiastic teaching faculties
- 3 Departmental academic planner - elaborate discussions and meeting for syllabi allotment and preparation of materials.
- 4 Seminar library & rich e- books and journals collection. High number of first class in PG and UG.
- 5 Students pursuing M.Sc. and Ph.D. in central universities and institutions, their involvements in Dept. through webinar, recorded lectures, etc.
- 6 Post Graduate students are involved in doing dissertation/ review/projects under the supervision of all the faculties. Students have achieved awards for poster/paper presentation in different national/international seminars. Some students have also published the result of their work with their respective teachers in peer reviewed journals.
- 7 Good number of students qualifying in state/national level examinations (eg. NET/SET/GATE/State government examinations). High Number of students progressing to higher education. The department has a well -organized feedback system to monitor and evaluate the quality of teaching and learning. Strong and healthy Working Environment.
- 8 Very Good teachers-students ratio.

Weakness of the Department:

- 1 All vacant posts should be filled up to meet up huge syllabus of UG & PG curriculum.
Post of Lab Assistant & Lab attendant both are vacant, to be filled up for smooth running of practical classes.
- 2 Very limited space (lecture rooms as well as practical laboratories) for running PG & UG classes simultaneously.
- 3 Allotted research laboratories are already occupied by various instruments. No extra vacant space is there for purchase of further sanctioned instruments & furniture. Practical laboratories should be renovated & modernized.
- 4 Financial assistance to the students is not satisfactory.

- 5) Teachers-Students ratio: 10 Students/Teacher
- 6) Number of Dropout students:
- (A) UG Dropout:
- SEM-I: 9 SEM-II: 4 SEM-III: 3 SEM-IV: 1 SEM-V: 1 SEM-VI: 1 Average: 3.2
- (B) PG Dropout:
- SEM-I: 1 SEM-II: 3 SEM-III: 2 SEM-IV: 1 Average: 1.8 Students/Semester
- 7) Result: UG: No. of final year students whose credit score > 8: 16 out of 16 Percentage: 100%
- PG: No. of final year students whose credit score > 6: 24 out of 24 Percentage: 100%
- 8) Number students received financial assistance:
- (i) Scholarship: 66 (ii) Only Half/Full free: 0 (iii) Total: 66 out of 105 (63%)
- 9) Number of Publication by Faculties:
- (i) Number of Journal/article publication: 6 (ii) Number of Book publication: 3
- 10) Number of Wall magazine: 1
- 11) Number of students participated in Seminar & Extra-curricular activities: 80 out of 105 (76%)
- 12) Number of students taking higher studies: (i) UG: 8 out of 16 (50%) (ii) PG: 0 out of 24 (0%)

Strengths of the Department:

- 1 Excellent students academic performance
- 2 Teachers-students ratio is excellent.
- 3 Stdents financial assistance is satisfactory
- 4 The Department has good infrastructure and amenities (well equipped class rooms as well as laboratories for carrying out research work).
- 5 The Department has sufficient space with five class rooms cum general laboratories, each with the facility of LCD projectors; eight well maintained AC specialised laboratories with good numbers of equipments, one Botanical Museum, one Departmental Seminar room, one large staff cum meeting room, one Seminar Library, rich in national and international text and reference books along with computer and internet accessibility which allows an avid student to satiate his / her learning requirements by accessing the facility.
- 6 Right from its inception as an Undergraduate Department followed by its transition into Post Graduate Department, the students have exhibited academic brilliance in attaining excellence in the field of teaching, research, and diverse other positions in and outside the State.
- 7 The Department regularly organizes special and invited lectures, which allows for the interaction of the students with leading researchers. Along with this, the undergraduate and postgraduate students are encouraged to perform short term projects and present them in scientific platforms

Weakness of the Department:

- 1 The Department does not have adequate number of supporting staff members for smooth running of its activities.
- 2 Especially a department with good number of instruments that require proper maintenance and service at regular interval.
- 3 The Seminar Library needs more contemporary and newer edition of books.
- 4 Very small number of students are taking higher studies

Strengths of the Department:

- 1 Very good students academic performance
- 2 Teachers-students ratio is good
- 3 Students financial assistance is satisfactory and Drop out rate is negligible
- 4 Department has a seminar library of its own
- 5 Well qualified faculty. (Most of the Faculty Members are Ph.D holder)
- 6 Positive interaction with students that makes them approach faculty members for academic and non-academic solutions.

Weakness of the Department:

- 1 Very small number of students are taking higher studies
- 2 As the students are financially weak, they are compelled to do other works for their household. So, they are not
- 3 For the financial crisis students cannot pursue higher education all the time after they complete Graduation
- 4 There is no provision for language lab. No ICT enable room is found. Dept needs more digital facilities.

- 5 A very good academic profile of the faculties, 80% of which possess research (Ph. D./ M.Phil.) degree as the highest degree from prestigious universities and national level organizations. This is certainly a quite strong point in favor of the department.
- 6 Status of research publication is good.
- 7 Student's enrolment to the higher students is satisfactory.
- 8 Student's participation in Seminar & Extra-curricular activities is excellent.
- 9 Good infrastructure like smart class rooms, seminar library, RS - GIS laboratory and a rich departmental store having different kinds of maps and geographical instruments.

Weakness of the Department:

- 1 Improve the status of financial assistance to the students.
- 2 Due to Covid pandemic no Govt grant was received during the academic session and hence Dept. has been facing laboratory maintenance problem.
- 3 Seating capacity in the classrooms are inadequate as compared to the students intake.
- 4 Practical laboratories should be renovated & modernized.
- 5 Deficiency of skilled supporting staff.

- 11) Number of students participated in Seminar & Extra-curricular activities: 56 out of 58 (97%)
- 12) Number of students taking higher studies: (i) UG: 13 out of 16 (81%)

Strengths of the Department:

- 1 Outstanding students academic performance
- 2 Teachers-students ratio is very good
The students of the Department actively participate in various Seminars, Value Added Programs and National and State Level competitions (like Quiz contest, essay writing, poster competition). Some of the final year students even presented research papers and has a record of winning prestigious title
- 4 The Department has a huge stock of books (around 500) in the Seminal Library which is sufficient for the UG course. Students borrow books from the Seminar Library at a regular basis.
- 5 The faculty members of the Department are highly qualified and some of them are acknowledged for their contribution in the field of research. Two of the faculty members, Dr. Rajnarayan Gupta and Dr. Rongili Biswas are renowned vocalists and writer. Apart from studies the students also get motivation and guidance from them continuously in creative skills and extra-curricular activities.

Weakness of the Department:

- 1 The infrastructural limitation is weakening the learning process. For instance, due to lack of classrooms the Faculties face problems in taking classes simultaneously. This has made the routine very inelastic. Sometimes remedial classes are conducted during vacation also to bridge the gap and address various needs of the students.
- 2 Due to lack of a computer laboratory, the final year students face serious difficulty while doing their project. Also it is difficult for the students to learn software programming. At present the Department has only one computer functioning. At times it becomes tedious to balance administrative works and taking computer practical classes with one computer.
- 3 Under Choice based Credit system (CBCS) students of final year has the freedom to choose different optional papers. However due to faculty constraint the Department at present can offer only limited optional papers in DSE course in each of Sem V and Sem VI. Applied Econometrics, Public Economics are offered in Sem V and Contemporary Development Economics in Sem VI. The other papers on Health and Financial Economics which are emerging areas in Economics can also be offered and for that purpose at least two Guest Faculty will be required.

- 12) Number of students taking higher studies: (i) UG: 14 out of 57 (25%)

Strengths of the Department:

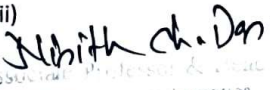

- 1 Very good students academic performance.
- 2 Teachers-students ratio is good.
- 3 Students financial assistance is good.
- 4 Political Science is taught only in UG level. Students are encouraged to interact with the faculties. This direct contact with the students is an attraction for students of all sections.
- 5 The teachers take special care of the 'specially abled' students of the department to ensure them hassle-free and comfortable situation within the college and for their studies.
- 6 Status of research publication is good.
- 7 Student's participation in Seminar & Extra-curricular activities is excellent.

Weakness of the Department:

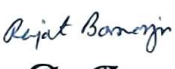

- 1 Enrolment of the students in higher studies is not satisfactory.
- 2 Inadequate ICT infrastructure available to the department.
- 3 Mostly the students study in Bengali. So, a large section of them suffers from weakness in English that affects their access to learning resources that are written in English.
