IQAC Meeting held on 28.08.2023 at 2 pm.

At the very outset the IQAC coordinator **Dr. Madhusudan Ghosh** elaborated on the responsibilities that have been distributed among the members for the preparation of the current AQAR. On request from Pritam Bandyopadhyay he also explained the rationale behind the credit structure of each section of the AQAR and the method of its calculation.

Dr. Samrajnee Dutta raised the topic of preparing the section on Future Plans in the AQAR. The Principal mentioned the importance of participation in Faculty Development Programmes for NAAC assessment. Points can be scored through such participation. In this context he mentioned Ramakrishna Mission Rahara's course for senior faculty members and data processing courses for all. **Dr. Samrajnee Dutta** mentioned the need for a common computer centre for all departments.

Dola Chattopadhyay mentioned the importance of publication of an academic journal from the college. The coordinator requested her to study and find out the feasibility of this proposed endeavour.

The **FUTURE PLANS** for the current AQAR were proposed and discussed at length by all members and following are the resolutions in this regard:

1. A Faculty Development Programme will be held on data processing, preferably by some in-house faculty member.
2. A seminar on IPR will be hosted by the Department of Physics in the near future. Also, a seminar on NEP with its intricacies and nuances.
3. The formation of a **Book Club / Reading Club** for all students (following the model of the existing Science Club) will be initiated.
Students from adjacent schools will be invited to participate in Science Club's poster making competition. The topic will be "Science in everyday life".

The existing **Film & Drama Club** will be urged to function properly.

4. Inter-college **Debate and Extempore Speech competitions** will be organized.
5. The activities of the SWAYAM portal will be resumed as soon as possible.
6. A comprehensive policy blueprint will be formulated for Slow and Advanced learners.

Finally, it was resolved that all communication with other members of the IQAC (external, non-teaching staff and students) will be handled by Kaushiki Banerjee. The venue of the next extended IQAC meeting will be decided later.

Dr. Madhusudan Ghosh (IQAC Coordinator) suggested that the **Action Taken Reports for the Academic Year: 2022-23** be prepared by IQAC as continuation of previous year reports preparation on the analysis of college infrastructural feedback from students, teachers, parents and alumni by 20th November 2023. The departmental heads will be requested to submit the action taken reports on the academic feedback (for Teacher's evaluation) by students of each department to IQAC within the 15th November 2023.

Honourable Principal Sir, Dr. Samar Chattopadhyay proposed two new names as internal members of academic audit committee in place of two existing members (on the verge of retirement) and the previous external members (three) will continue for next two academic years: 2023-24 & 2024-25. IQAC Meeting of Barasat Government College

held on 8 December 2023 at 2 pm.

1. The extended meeting was attended by teacher members, heads of all departments, the NAAC coordinator, 3 external members and 2 student members.
2. At the outset the IQAC coordinator **Dr. Madhusudan Ghosh** welcomed the new NAAC coordinator **Dr. Chandan Suravi Das**.
3. The **Principal** informed the attendees that by December 2024 the AQAR will be submitted to UGC. Thereafter the NAAC preparations will be launched. The shifting and digitization of the library as well as the rainwater harvesting project need to be completed by then. The fund is ready, he assured. He also observed that the prospects of attaining a high grade in the assessment are high. For this participating in FDPs, specially by the senior teachers, is important, he mentioned.
4. **Dola Chattopadhyay** reminded the members of the importance of publishing the newsletter. Dr. Sumana Saha mentioned the importance of proper auditing and **Dr. Samrajnee Dutta** harped on the importance of renovating the Seminar room. The **Principal** discussed the relevance of dealing with the e-waste in the college.
- ✓ 5. **Dr. Madhusudan Ghosh** (IQAC Coordinator) shared the **Analysis and Action Taken Reports for the Academic Year: 2022-23** of the infrastructural and academic feedbacks of different stake holders (students, parents, alumni and employees) with the house and it is unanimously accepted by the members present in the meeting.
6. The **IQAC coordinator** read out the review report of 2016 given by the NAAC Peer team.
Recommendations for Quality Enhancement of the Institution as per review report of NAA Peer team-2016
 - *Introduce innovative and skill development courses.*
 - *Increase collaborative linkages with other institutes to promote inter-disciplinary teaching and research.*
 - *Common language laboratory may be set up to promote communicative skills.*
 - *Hostels for girls with UGC grants may be constructed.*
 - *Second College campus may be provided for further growth and development.*
 - *Courses may be modernized in the light of NET and SET examinations.*
 - *Promotion of inter-disciplinary teaching and research may be encouraged.*
 - *Results of experiments may be taken to field.*
 - *Enrichment of Library with new books.*
 - *More focus may be given to games and sports.*
 - *English may be reintroduced as optional subject in Science stream.*
7. Dr. Partha Dasgupta (external member) advised the members about the following modalities of preparing for the NAAC accreditation:
 - The invited lectures should continue for at least a week or more.
 - The standard of the library is very important.
 - All committees must convene at least 4 meetings every year. Everything must be documented with signatures etc.
8. **Dr. Chandan Suravi Das** reminded the house that the college needs a librarian.

9. The **Principal** assured each department of a seminar grant of maximum Rs. 10,000/-. The expression “research methodology” should be included in the subject line for the seminars. When **Dr. Samrajnee Dutta** and Dr. Abhijit De enquired about the possibility of webinars the principal replied in the positive, saying that it can be permitted.
10. **Dr. Chandan Surabi Das** read out a 10 point to-do list for all departments for the preparations of NAAC in the coming year.

The meeting concluded with all members extending thanks to one another and expressing their good wishes for the institution.

Action Taken Report against Feedback Analysis about College Infrastructure

Feedback Session: 2022-2023

Stakeholder	Analysis Key Points	Actions Taken
Student	<p>i) We have got 50% (approx.) responses from all categories. 1476 students responded out of 3112 students regarding college infrastructure. We need more responses from students and have to encourage them to participate more for providing feedback responses.</p> <p>ii) Clean toilet facility for both male and female students should be increased, Only 16% of student's respondent not satisfied regarding provision of clean toilet.</p> <p>iii) There is a need to increase availability of services of photocopy centre and cheap store within the college campus. Regarding this facility only 10% students remained not satisfied.</p> <p>iv) Availability of books in the library should be increased.</p> <p>v) Opportunity for sports and game should be increased further</p>	<p>i) In order to extend our reach among the students WhatsApp groups have been formed for each department and teachers are motivated to enhance their coordination with the respective students group.</p> <p>ii) To maintain the basic needs of clean toilet, special staffs have been engaged. To fulfil the need sufficient water supply and pump on timing will be increased. To help our girls students in their special days a sanitary napkin vending machine has been installed adjacent to girls common room.</p> <p>iii) College has a well-equipped photocopy centre with energetic staffs. A large no of Students regularly use the centre. Authority has a plan to install advanced photocopy machines.</p> <p>iv) We have facing fund crunch during previous years due to the scarcity of financial grants. College authority requested the PG Depts to purchase more books using PG funds and authority will send a proposal to the government to purchase books for the library.</p> <p>v) College authority has made correspondence with the School education department to use college adjacent playground for regular sports purpose.</p>
Teacher	<p>i) Only 60 % teachers are agreed about the availability of books in the library</p> <p>ii) Regarding suitability of syllabus, applicability of course content and academic flexibility of syllabus hardly 61% teachers remained agreed.</p>	<p>i) College Send a proposal to the govt demanding fund for purchasing books for library.</p> <p>ii) Since our UG curriculum is completely university designed we don't have any option to change it. But for designing PG program we try to incorporate more flexibility and applicability in the syllabus. More over for designing different Value added Courses special emphasis has been given to enhance suitability, applicability and academic flexibility of course content.</p> <p>iii) To make each and every class room well equipped with modern technology College authority has taken several initiatives. There are</p>

Alumni	<p>i) Alumni involvement is very much poor only 33% attended the meetings.</p> <p>ii) For the 19 parameters regarding overall atmosphere of the college where a rating based responses has been set up, we got very average standard feedback from the alumni group. More or less 40% respondents remained satisfied about the excellency. Faculty standard, Availability of drinking water, Academic atmosphere and overall security in the college premises got more or less 60 % satisfaction.</p> <p>iii) Alumni contribution is very much poor</p>	<p>i) We have a strong and registered alumni association In order to extend the alumni group we have to use different social media platforms for communication with alumni of our Institution. In addition to that we have departmental alumni groups and they will be encouraged to join the alumni association.</p> <p>ii) We have formed a notable alumni forum to get their suggestions regarding how to increase the overall performance of the college for the betterment of the students. Special drive will be taken with the help of alumni faculties' member of our college to enhance the number of notable alumni members.</p> <p>iii) We have made appeal to our world wide alumni to donate fund for the development of the college.</p>
Parent	<p>i) Parent involvement should be enhanced</p> <p>ii) It will better to provide more guidance to students regarding their career after passing the college.</p>	<p>i) Every department has been instructed to form parents WhatsApp group to maintain regular and direct contact with the parents.</p> <p>ii) Career Counselling and Placement cell of the college has organised more or less 10 to 12 interactive seminars to guide students for better future. In addition of that, our college has been selected as a venue of Satyendranath Tagore Civil Service Study Centre – a Govt. of West Bengal initiative. This study centre is used for the preparation of UPSC Civil Services Examination.</p>

Feedback Analysis and Action Taken Report

Department: Zoology

Feedback Session: 2022-2023

Stakeholder	Analysis Key Points	Actions Taken
Student	Some UG/PG molecular biology practical cannot be performed due to lack of instruments and not purchased due to lack of fund.	College authority has been informed to take necessary action and to allot more fund for the department in the future.
	In order to make the teaching learning process more enriched provision of inviting experts from other institution should be increased.	Experts from different fields of Zoology will be invited to arrange classes, tutorial, seminar to run the department smoothly.
	It will be better if practical courses can be made more diversified, modern and collaborative.	Department will use the facilities of Drosophila culture at nearby institutions or Lab of University of Calcutta or other Universities so that students will be benefitted.

Feedback Session: 2022-2023

Stakeholder	Analysis Key Points	Actions Taken
Student	It is needed to homogenizing of understanding of both Theory and Practical classes.	In this regard special initiatives has been taken up to devote special care to the slow-learner students in consideration with the performance of the activities involving the total class activities.
	Some special initiatives should be there to intimate the guardians regarding the overall developments of the students.	Parents – Teachers Meeting have been scheduled and also been conducted for each semester. This forum could provide positive response from the Parents – Teachers interactive sessions for the overall benefit of the students for different ongoing semester students.
	Special efforts are required to make students introduced with the external research and academic atmosphere.	Since February 2022, there has been constant efforts to arrange for visits of the students to other Research and Academic Institutes. By virtue, of this process many of our students from both UG and PG level could opt to build Research Career and academic prospects.

Feedback Analysis and Action Taken Report

Department: History

Feedback Session: 2022-2023

Stakeholder	Analysis Key Points	Actions Taken
Student	Many students expressed a desire for more engaging and relevant course material. They mentioned a need for real world examples and case studies to better understand the concepts being taught.	Teachers are informed regarding this and it was decided to use more recent materials such as collected contents from e-resources, recently published papers, edited books etc.
	Some students found the teaching style to be too traditional and requested more interactive and collaborative learning experiences. They also suggested the use of multimedia and technology to enhance the learning process.	In order to enhance teaching technique and to increase the use of modern multimedia techniques department decided to use power point presentation, to arrange inter departmental lectures, to invite expert guest speaker as far required and possible. Teachers are motivated to conduct the classes in an interactive mode through group discussions, problem-solving activities, open discussions, debates, student-led presentations etc.
	Several students mentioned a need for clearer communication from instructors regarding course expectations, assignments, and feedback on their progress.	All teachers of the department are agreed that students will be motivated to communicate with departmental teachers if they have any problem regarding the course content. At the same time it has been decided that teachers will take initiatives to increase their availability and accessibility to students when and where required.
	It was noted that some students would like more support outside of the classroom, such as office hours, tutoring, or online resources.	Teachers are requested to give outside classroom support to all students as far as needed.
	There were suggestions for more frequent and specific feedback on assignments and exams to help students better understand their strengths and areas for improvement	It was decided in departmental meeting to take frequent class test, to conduct viva question answer session, open problem solving session during the class hours and to analyse the result in the classrooms.

Feedback Analysis and Action Taken Report

Department: Chemistry

Feedback Session: 2022-2023

Stakeholder	Analysis Key Points	Actions Taken
Student	By and large, the feedback was satisfactory. However, minor deficiencies in the part of our teaching faculty in some of the components (clear board work, syllabus completion within stipulated time, encouragement in extra-curricular activity) has been detected.	i) In this regard the concerned faculties has been advised to be more concerned and cautious to improve the situation. ii) All the faculties are agreed to take special initiatives to enhance teaching quality and environment.
