36. Additional comments, if any:

- 1) Dr. Sumana Saha was Associate Editor - Munis Entomology & Zoology, Turkey since 2015
- 2) Dr. Srikanta Guria was one of the Editors of Research Trends In Life Science Volume II (ISBN: 978-93-88901-90-1), September 2023
- 3) Dr. Srikanta Guria was one of the 'Editor' for the book entitled, Research and Reviews in Animal Science Volume IV (ISBN: 978-93-95847-34-6) published by Bhumi publishing house in April 2024.

37. Best Practices:

Best practices 1

(1) PG students of Zoology Department have made paper/poster presentations in Seminar, conferences based on their project work and published their dissertation work as abstract with their teachers.

Post Graduate Zoology students are involved in doing dissertation/ review/projects under the supervision of all the faculties. Some students have also published the result of their work with their respective teachers in peer reviewed journals. PG students of Zoology Department have made oral/poster presentations in Seminar, Webinar, conferences based on their project work and abstract have been published.

This practices will motivate students in research and higher education. Its uniqueness will help the students in the context of Indian higher education.

Students Publication in peer reviewed journals/book chapters

38. Future Plan of the Department:

Measures to be adopted to enhance bench skills of students

- a) Students will be divided into groups and each will be assigned a specific project work
- b) Student visit to institution / National Laboratory will be organized like Bose institute, Kolkata, Indian Institute of Chemical Biology (IICB), National Institute of Cholera & Enteric Disease (NICED), ZSI, Kolkata; CNCI, Kolkata for getting 'hands on' experience.
- c) Students will be encouraged to participate in summer school or internship program.
- d) Field visit and excursion will be organized to impart practical knowledge of the subject.
- e) Engaging and involving students in scientific popular writing and departmental magazine and journal club activities.

Measures to be undertaken to upgrade skills of faculty

Faculty members will be encouraged to participate in the orientation, refresher courses and workshops, seminar symposiums in the frontier areas of life sciences at the national and international level.

Proposed activities for laboratory staff

- a. Training for operating power point presentation, projection system.
- b. Training to improve skill in different computational work.
- c. Departmental Stock maintenance.
