NOTICE

The P.G Department of Botany is pleased to announce the launch of "La Flor," our eagerly awaited e-magazine, scheduled for 22nd December, 2021. This digital platform will showcase both the creative and scientific talents of our department. To mark this occasion, there will be a prize distribution ceremony for competition of art/photography/scientific poster presentation. Results and certificate distribution will be held on the same day. Join us as we celebrate innovation, knowledge, and creativity at the inauguration of "La Flor."

Report on Inauguration of "La Flor" - The Bloom of Hope: 1st Edition

On the 22nd of December 2021, a significant milestone was celebrated by the P.G department of Botany with the inauguration of our departmental e-magazine, "La Flor" - The Bloom of Hope. This initiative was marked as a platform to showcase the diverse talents within the department.

To mark this occasion, a competition encompassing art, scientific posters, and photography was organized, inviting participants to unleash their creativity. Enthusiastic participation was witnessed, and the event culminated in an awards ceremony to honor the outstanding contributors. The list of rank holders is attached below.

"La Flor" comprises a variety of content, including general, scientific, literary, art photography, and puzzle sections. Its aim is to foster camaraderie, intellectual exchange, and creativity within our community.

As this journey with the inaugural edition of "La Flor" is embarked upon, it's continued growth and impact are anticipated, nurturing curiosity and camaraderie within our botanical fraternity.
