Report on Inauguration of "La Flor" - The Bloom of Hope: 2nd Edition

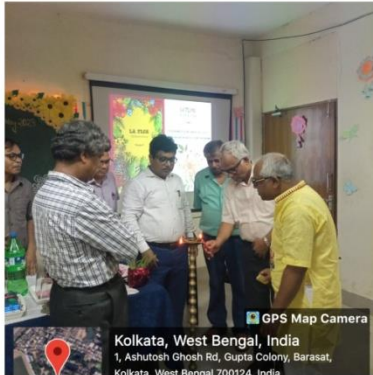

The P.G department of Botany celebrated a significant milestone on May 8, 2023, with the inauguration of the departmental e-magazine, "La Flor" - The Bloom of Hope: 2nd Edition. This initiative served as a platform to showcase the diverse talents within the department.

The magazine was inaugurated by our respected Principal –Dr. Samar Chattopadhyay and many other dignitaries were present to glorify the occasion.

A gala cultural event marked the occasion, featuring competitions in art, scientific posters, and photography. The enthusiastic participation witnessed culminated in an awards ceremony honoring outstanding contributors."La Flor" 2 features a variety of content, including general, scientific, literary, art photography, and puzzle sections. This edition surpassed the first in scale and impact.

As the journey with "La Flor" continues, the anticipation of its continued growth and impact remains high, promising to inspire curiosity and camaraderie among current and future members of the botanical fraternity. Many former students and teachers also contributed to the magazine writing and were present on the day of the magazine launch, adding to the vibrancy and richness of the event.
