

CHEMISTRY SEMINAR 2018-19

Date: 14th September, 2018

Topic: 'CONQUIZ: A dialogical and joyful learning'

Speaker: Dr. Priyotosh Dutta, Associate Professor, Dept. of Chemistry, Ananda Mohan College

Venue: Chemistry Gallery, Old Chemistry Building, Barasat Govt College

Participants: 38 students + 8 teachers

A highly interactive session of learning chemistry through conceptual question and answers was conducted by our speaker, Dr. Priyotosh Dutta. The questions were from varied topics of physical chemistry pertaining to the under graduate syllabus like thermodynamics, chemical kinetics, quantum chemistry etc. Each question aimed at clarifying the underlying concepts of the subject and the answers were meticulously explained by the speaker. Students enjoyed the session immensely as evidenced by their active participation.
