

## **COMMEMORATION OF NATIONAL SCIENCE DAY 2025**

**Title of Program:** Commemoration of National Science Day

**Organized by:** Department of Chemistry and Physics in collaboration with IQAC

**Date of Program:** 28<sup>th</sup> February, 2025

**Time:** 12 Noon onwards

**Venue:** Chemistry Gallery, Old Chemistry Building

**Total Number of Participants:** 71 (Students) + 11 (Teachers)

**Introduction:** 28<sup>th</sup>, February is celebrated as the National Science Day to commemorate the discovery of Raman Effect by Prof. C.V. Raman on this day in 1928.

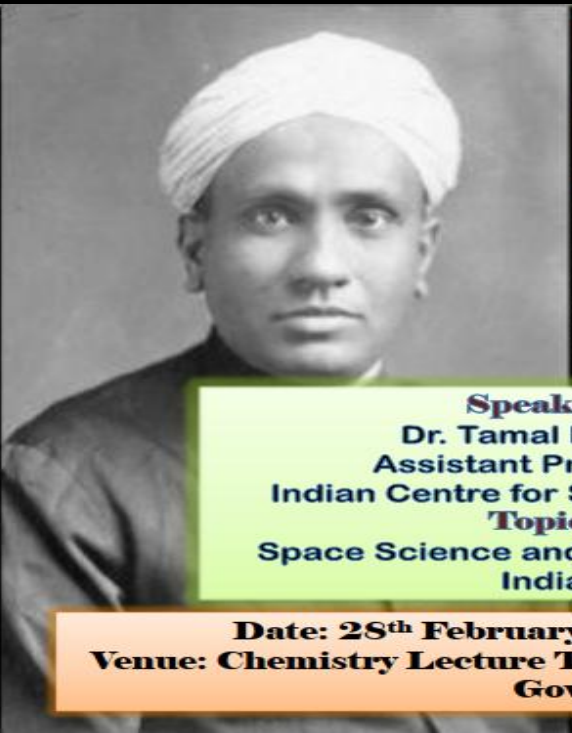

### **SPEAKERS:**

- Dr. Tamal Basak, Assistant Professor, Indian Centre for Space Physics, Kolkata
- Prof. (Dr.) Tarasankar Pal, Former Professor, Department of Chemistry, IIT Kharagpur

### **REPORT:**

The program started with a brief introductory lecture by Dr. Samar Chattopadhyay, Principal, Barasat Government College. He spoke on the contribution of Prof. C.V. Raman and the importance of science as a pathway to truth. It was followed by the introduction of the 1<sup>st</sup> speaker, Dr. Tamal Basak by Dr. Abhijit De, Head of the Department of Physics. Dr. Tamal Basak delivered a lecture on "Space Science for the benefit of students". He talked about India's contribution in making Chandrayan and went on to discuss how students could build a career in space science. The 2<sup>nd</sup> half was inaugurated by Dr. Narayan Bar, Head, Department of Chemistry who introduced Prof. Taraknath Pal as the father of nano science in India. Dr. Pal delivered his lecture on 'Science to Nano-science'. It was a very lucid lecture introducing students to material chemistry and its application in the real world. The vote of thanks was delivered by Dr. Madhusudan Ghosh, IQAC Coordinator thanking both the eminent speakers for their captivating lectures and the students for their active participation.
