

Inauguration of E- magazine CHEMYSTERY

Date: 2nd June, 2023

Venue: Seminar Hall Annex Building

Inauguration of 3rd edition of e-magazine **CHEMYSTERY** by the students of the Department. A printed version of the magazine was presented to the Principal of the college. The magazine included articles written by the students on the latest inventions in the field of Chemistry.

A cultural program was organized by the students to commemorate this occasion and for the farewell of the outgoing semester 6 students and welcoming the fresher's batch.
