**Introduction:** The English Department in collaboration with the ICC and Gender Sensitization Committee of the college organized an online workshop for students on 29th June, 2021. The workshop, conducted by Debapratim Chakraborty, Assistant Professor of the English Department, focused primarily on the issue of consent and aimed at making the students understand the finer nuances of the topic particularly in the context of romantic/sexual relationships.

**Brief Report:** Various aspects of the topic were introduced by presenting imaginary scenarios to which the students were asked to respond according to their own understanding of consent. The instructor then amended their responses as necessary and further illustrated the points by showing film clips, popular memes, animations etc and narrating anecdotes which would be easily relatable to the students.

The programme was attended by **31 students** who participated enthusiastically bringing their own views and personal experiences into the discussion. The response recorded by them in the feedback form provided by the organizers bear testimony to how much they felt benefitted from the programme.
