

## Department of Geography

### Barasat Government College

---

Department of Geography in collaboration with the Department of Economics has organized an interdisciplinary class on **Uneven Population Distribution and its Consequences in India** on 4<sup>th</sup> May 2023. This was a part of the paper GEOACOR08T – Regional Planning and Development. Smt. Dola Chattopadhyay, Assistant Professor in Economics has acted as the resource person of the event. The students of CBCS semester – IV have participated in the event. The class was very interactive and students were interested to know the population-related issues from the perspective of an economist.
