### Parent-Teacher Meeting

A Parent-Teacher Meeting for the Department of Geography at Barasat Government College was held on **27<sup>th</sup> February 2025**, commencing at 12:30 pm. The meeting was attended by all faculty members of the department and the guardians of students from Semester I, Semester III, and Semester VI.

The primary objective of the meeting was to discuss various academic and overall progress-related matters concerning the students. During the meeting, discussions were focused on several important aspects, including class attendance, continuous evaluation, and the performance of students in various assessments. The faculty members presented the academic standing of the students and highlighted the areas where improvement was needed. The guardians were given an overview of the evaluation process and how the students' performances were being tracked through continuous assessments.

Geography, being a field-based subject, necessitates field excursions for practical learning. Therefore, the meeting also addressed the logistics and plans for upcoming field excursions. The faculty discussed the importance of these excursions in providing hands-on learning experiences for students, which is an essential component of the curriculum.

The guardians were encouraged to provide their valuable feedback and suggestions regarding the students' academic journey. They responded positively and offered several insightful suggestions. Some guardians expressed their interest in being more involved in supporting the students' learning processes, and others suggested improvements in communication between the department and the families to further enhance student development.

The meeting concluded with a positive note, with both the faculty and parents expressing a shared commitment to fostering the academic and personal growth of the students. It was evident that such collaborations

between the department and guardians are essential for the continued success and development of the students at Barasat Government College.
