

Department of Geography

Barasat Government College

Some students of the Department of Geography, Barasat Government College have participated in the annual national conference, **GEOSPATIA** held on 15 & 16 March 2024 at the Anthropological Survey of India, Salt Lake, Kolkata. The Radhanath Sikdar Institute of Geospatial Science & Technology (RSIGST), a distinguished Geospatial Centre of Excellence, orchestrated this program. Its core objective was to delve into the **National Geospatial Policy and India Vision 2047**, which served as the central themes. The fundamental goal of the conference was to stimulate dialogue surrounding the development and execution of a comprehensive National Geospatial Policy that resonates with India's ambitions for progress, sustainability, and technological evolution.

Moreover, the conference aimed to envision India's trajectory by 2047, with geospatial technologies playing a pivotal role in realizing national objectives across diverse sectors. Noteworthy features of the conference included insightful sessions, technical presentations, and interactive discussions spotlighting the latest trends, advancements, and hurdles within the geospatial landscape. Participation in such a stimulating event proved immensely beneficial for students, fostering critical thinking and ideation.
