Value Added Course on Environmental Education and Sustainable Development

Course Code: BGCGEOVAC001/23-24

Learning Objectives: This programme is framed to provide a comprehensive understanding of contemporary perspective of sustainable development with respect to its interplay with environment.

Learning Outcomes: After successful completion of the course the students will – get an in-depth understanding of environmental issues and sustainable development, and thus, building their capacity as a global citizen.

Learn to compute different indices of development.

Able to identify micro ecological zones.

On successful participation, attendance and on completion of all the evaluation assignments the participants will get a certificate.

Nature and Duration: This value-added course is a certificate programme. Total Contact Hours will be 36.

Application: Interested candidates may contact to the Head, Department of Geography in Person.

Target Participants: College and University students. Job aspiring candidates who have completed their Bachelor's or Master's level study within the last 5 years may also apply.

Processing Fee: Nil

Mode of teaching: Entire process of teaching, learning, and evaluation for the programme will be conducted face to face on all working days except Saturday, Sunday and Holiday.

Faculty: The programme modules will be taught by experienced faculty members (teachers) of this college and other academic institutes.

Intake Capacity: Maximum intake capacity is 60 with a minimum cut-off number of 10 candidates. Candidates will be selected on a first come first serve basis.

Programme Structure:

- Module – I: Environmental Education and its Applications
- Module – II: Sustainable Development and its Modalities

Mode of Evaluation: The evaluation process will be carried out throughout the programme duration by a combination of the following methods.

- Performance throughout the course (20% weightage).
- Attendance (30% weightage).
- Objective assessment (50% weightage).

Evaluation of the performance of the student based on a total of 100 marks will be rated as shown in the following table.

Grade	% Marks Obtained
O	> 90
A +	80 - 89
A	70 - 79
B +	60 - 69
B	40 - 59
Fail	< 40

Attendance and Award of Certificate: Candidates have to attend 80% of the sessions, as a part of duty. Failing which certificated will not be awarded. Candidates are required to engage themselves actively in the discussion and academic interaction with the resource persons and co-participants. Participants scoring minimum of 40% marks and 80% attendance will be given certificates of completion.
