

ACADEMIC SESSION 2018-2019

Organization of student conclave on "Career counselling and placement opportunities" on 30th March, 2019. This was done in collaboration with Scholars Mojo and Blue patch. Approximately 110 students and faculty members participated in this program.

The conclave aimed to empower students by providing valuable insights into career options and enhancing their employability skills. Here are some key highlights:

1. *Career Counseling Sessions:* Experts guided students on career paths, industry trends, and personalized advice.
2. *Placement Opportunities:* Students had the chance to explore internship and placement opportunities. The event facilitated direct interaction between students and potential employers.
3. *Skill Workshops:* Students learned resume building, interview skills, and effective communication.
4. *Networking and Collaboration:* Students had the opportunity to network with professionals, alumni, and industry experts. The conclave fostered connections that could lead to internships, job referrals, and mentorship.
5. *Awareness about Diverse Fields:* Sessions covered a wide range of career domains, including technology, finance, marketing, healthcare, and more. Students gained insights into emerging fields and non-traditional career paths.
6. *Motivational Talks:* Eminent speakers inspired students to pursue their passions

Overall, the Student Conclave on Career Counseling and Placement Opportunities provided a platform for students to explore, learn, and connect. It played a crucial role in shaping their career trajectories and preparing them for the professional world.
