

Programme Outcome
of the events organized by the
Placement and Service Matters Cell, Barasat Government College
July 2024 to June 2025

**Guidance Session on Career Prospects after Graduation for the
Zoology (Hons. / Hons. with Research) Students**

https://bgc.ac.in/images/pdf/career_guidance_of_zoology_august_2024.pdf

A Career Guidance Session for newly admitted Semester I students of Zoology (Hons./Hons. with Research) was successfully conducted on **27 August 2024** at Barasat Government College. The session was organized jointly by the Placement and Service Matters Cell and the Department of Zoology, under the New Education Policy (NEP) guidelines. A total of **12 students** attended the session. Despite the modest turnout, the programme maintained a high level of interaction and engagement.

The programme was inaugurated by Dr. Samar Chattopadhyay, Principal of Barasat Government College. The resource persons, Dr. Srikanta Guria and Dr. Somaditya Dey, Assistant Professors in Zoology, delivered informative and inspiring talks focusing on various career opportunities available after graduation in the life sciences domain. Topics included research pathways, competitive examinations, and government job prospects.

Students actively participated in the Q&A session and expressed appreciation for the personalized attention they received. The small group size allowed deeper discussion and clarity on individual career queries.

The session successfully met its objectives by equipping students with awareness and motivation for structured career development. Future sessions aim to build on this foundation with increased participation.

Counselling Session on Career Prospects after Graduation for the Mathematics (Hons. / Hons. with Research) Students

https://bgc.ac.in/images/pdf/career_guidance_of_math_august_2024.pdf

A Career Counselling Session for newly admitted Semester I students of Zoology (Hons./Hons. with Research) was successfully conducted on **30 August 2024** at Barasat Government College. The session was organized jointly by the Placement and Service Matters Cell and the Department of Mathematics, under the New Education Policy (NEP) guidelines. A total of **34 students** attended the session. Despite the modest turnout, the programme maintained a high level of interaction and engagement.

The resource persons, Dr. Nisith Chandra Das, Dr. Indramnath Bhattacharya and Dr. Prashanta Paul, Faculty members of this college, delivered informative and inspiring talks focusing on various career opportunities available after graduation in the life sciences domain. Topics included research pathways, competitive examinations, and government job prospects.

Students actively participated in the Q&A session and expressed appreciation for the personalized attention they received. The small group size allowed deeper discussion and clarity on individual career queries.

The session successfully met its objectives by equipping students with awareness and motivation for structured career development. Future sessions aim to build on this foundation with increased participation.

Interactive Session on Career Opportunities after Graduation for the Geography (Hons. / Hons. with Research) Students

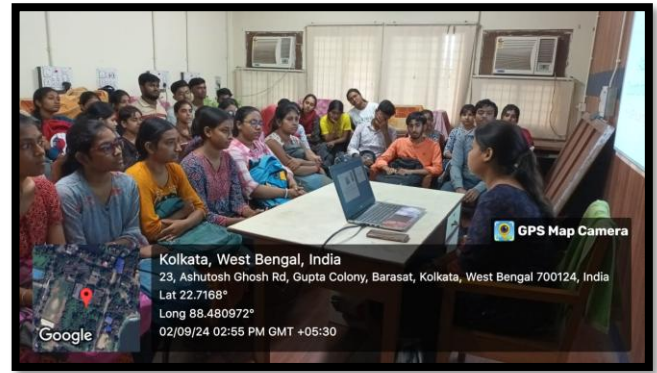

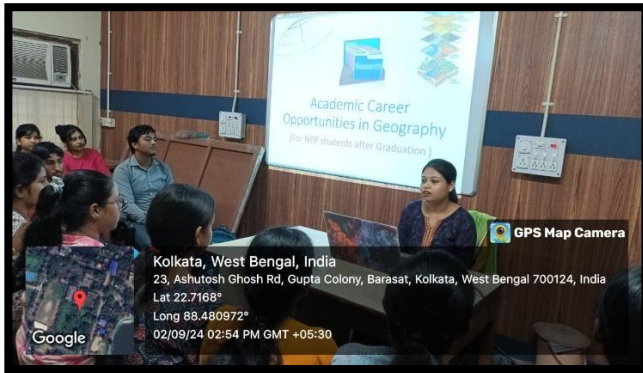

https://bgc.ac.in/images/pdf/career_guidance_geography_of_sept_2024.pdf

The interactive session on "Career Opportunities after Graduation" organized by the Placement & Service Matters Cell and the Department of Geography at Barasat Government College saw an enthusiastic turnout, with **42 students** participating. Held on Monday, **September 2, 2024**, in the Geography Department, the event commenced at 2:00 p.m., featuring esteemed speakers Dr. Sourama Saha, Associate Professor of Geography at Barasat Government College, and Ms. Swetangee Chowdhury, a Junior Research Fellow from West Bengal State University.

Dr. Saha began by discussing career paths for geography graduates, emphasizing opportunities in government sectors, private industry, and academia. She highlighted the demand for geographers in urban planning, environmental management, and geographical information systems (GIS), which have expanded due to increased awareness of climate issues and sustainable development goals. She urged students to gain proficiency in digital mapping tools, remote sensing, and data analysis software, as these skills are highly valued across various industries.

Following Dr. Saha, Ms. Chowdhury shared insights from her experience as a Junior Research Fellow, describing the academic and research-oriented paths in geography. She emphasized the role of research fellowships, higher studies, and international scholarships, which could open doors to positions in both national and global research institutions. Ms. Chowdhury also encouraged students to develop their analytical and critical thinking skills, as these are essential in both research and applied geography roles.

The session concluded with a lively Q&A segment, where students asked about resume-building strategies, internship opportunities, and how to tailor their skills for specific sectors. Both resource persons provided practical advice, reinforcing the importance of networking, internships, and continuous skill enhancement. Overall, the session was highly informative, empowering students to take proactive steps toward their career goals in geography.

Seminar on Career Prospects after Graduation for the Political Science (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/d81af_PoliticalScience.pdf

On Friday, **6 September 2024**, a seminar on Career Opportunities after Graduation was organized by the Placement & Service Matters Cell in collaboration with the Department of Political Science at Barasat Government College. The event took place in Room No. 1 of the Main Building and began at 12:30 PM.

A total of **47 students** attended the seminar with enthusiasm and active participation. The resource persons for the session were Mr. Uttam Adhikary and Mr. Aniruddha Das, both Assistant Professors in the Department of Political Science at Barasat Government College.

The seminar aimed to provide valuable guidance to students about the wide array of career options available after graduation. The speakers elaborated on paths such as civil services, higher studies, academic research, teaching, corporate opportunities, and roles in NGOs and development sectors. They highlighted the importance of early career planning, building relevant skills, and staying updated with employment trends and examination patterns.

The interactive session allowed students to engage directly with the speakers and seek personalized advice, making the seminar both informative and motivational.

Overall, the event was a success and contributed significantly to students' awareness and preparation for life beyond graduation.

Guidance Session on Career Prospects after Graduation for the Sanskrit (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/5cf67_Sanskrit.pdf

A Guidance Session on Career Prospects after Graduation was held on Tuesday, **10 September 2024**, jointly organized by the Placement and Service Matters Cell and the Department of Sanskrit of Barasat Government College. The session was specially arranged for the newly admitted Semester-I students (NEP) of the Sanskrit (Hons. / Hons. with Research) programme.

The event took place in the Seminar Room of the Botany Department and began at 12:00 noon. A total of **30 students** attended the session with great interest and enthusiasm. The respected Principal of Barasat Government College delivered the inaugural address, encouraging students to make the most of such initiatives for their future development.

The resource persons for the session were Dr. Gouranga Aich, SACT in Sanskrit, and Dr. Aditi Bhattacharya, Assistant Professor in Sanskrit, both from Barasat Government College. They shared valuable insights on various career paths available to Sanskrit graduates, including opportunities in academics, research, translation, competitive examinations, and cultural organizations.

The interactive session proved to be highly informative and engaging. Students found the guidance relevant and motivating, and the event was appreciated for addressing the unique career prospects in the field of Sanskrit studies.

Guidance Session on Career Prospects after Graduation for the Bengali (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/2170d_Bengali.pdf

A Guidance Session on *Career Prospects after Graduation* was successfully organized by the Placement & Service Matters Cell in collaboration with the Department of Bengali at Barasat Government College. The session was held on Thursday, **12 September 2024**, in Room No. 409 of the Annex Building and commenced at 12:30 PM.

The event was attended by **54 students** from the Bengali department, who participated actively in the session. The primary aim of the program was to provide insights into the diverse career opportunities available to students after completing their graduation in Bengali.

The resource persons for the session were Dr. Nivedita Chakraborty Dutta, Associate Professor in Bengali, and Dr. Paramita Bhattacharya, SACT in Bengali, both from Barasat Government College. They discussed various career options including higher studies, teaching, research, publishing, content writing, translation, civil services, and cultural institutions. The speakers emphasized the importance of skill development, academic performance, and awareness of evolving job markets.

The session concluded with an interactive Q&A segment, where students clarified their doubts and received personalized guidance. Overall, the event was well-received and proved to be both informative and motivating for the students, helping them plan their academic and professional futures more effectively.

Guidance Session on Career Prospects after Graduation for the Chemistry (Hons. / Hons. with Research) Students

https://bgc.ac.in/images/pdf/career_guidance_chemistry_september_2024_page.pdf

A guidance session on *Career Prospects after Graduation* was successfully organized by the Placement & Service Matters Cell in collaboration with the Department of Chemistry, Barasat Government College, on Thursday, **19 September 2024**. The event was held in the Department of Chemistry, starting at 12:30 pm, and was attended by **18 students** pursuing Chemistry (Hons./Hons. with Research).

The session featured three distinguished speakers: Dr. Ambarish Ray, Dr. Jibanananda Jana, and Dr. Prabir Kr. Bhattacharya—renowned faculty members and mentors from the Department of Chemistry. They shared insightful guidance on diverse career paths available to Chemistry graduates, including higher education opportunities, competitive exams, research avenues, industrial roles, and public sector options. The speakers emphasized aligning individual interests with career goals, discussed emerging interdisciplinary fields, and encouraged students to cultivate analytical and problem-solving skills.

Interactive in nature, the session provided students with the opportunity to ask questions and receive personalized advice. The program was highly appreciated by the participants, who found the discussion informative and motivating. The event concluded with a vote of thanks and an appeal to students to actively engage in career planning and skill development from the early stages of their academic journey.

Seminar on Benefits of Studying History (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/b95e5_Career.pdf

A seminar titled “Benefits of Studying History” was organized jointly by the Placement & Service Matters Cell and the Department of History, Barasat Government College, on Saturday, **21 September 2024**, exclusively for the newly admitted Semester-I students under the NEP curriculum. The event was held in Room No. 2, Main Building, beginning at 2:00 pm, and saw an enthusiastic participation of **80 students**.

The seminar commenced with a warm welcome and inaugural address by the Respected Principal of the college, who spoke about the timeless relevance of History as a discipline. The HoD emphasized how the study of History not only cultivates academic growth but also shapes individuals into informed, empathetic, and critically aware citizens. He urged students to embrace the subject with curiosity and commitment, keeping in mind the diverse opportunities it can offer in both academic and professional spheres.

The session featured three renowned faculty members from the Department of History as resource persons:

- Sri Subhendu Bikash Satpathi, HoD and Associate Professor
- Sri Rupak Saha, Associate Professor
- Dr. Balaram Das, Assistant Professor

Each speaker offered an insightful perspective on the scope and impact of studying History. They explained how the discipline helps students develop skills such as critical analysis, research aptitude, effective communication, and contextual thinking—skills that are increasingly valuable in today’s dynamic job market. The speakers elaborated on diverse career paths available to History graduates, including civil services, teaching and academia, archival and museum work, journalism, publishing, policy-making, and heritage tourism.

The session was highly interactive, with students posing thoughtful questions about competitive exams, interdisciplinary studies, and the future of History in the digital age. The speakers responded with encouraging and practical advice, making the session both informative and motivational.

The seminar concluded with a collective note of appreciation from students, who expressed increased clarity and enthusiasm toward their academic journey. Faculty members encouraged students to view History not merely as a subject of the past, but as a tool to critically understand and contribute to the present and future. The event was a resounding success and provided a strong foundation for the academic and professional orientation of the first-year students.

Career Prospects after Graduation for English (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/3f392_English.pdf

The Department of English, in collaboration with the Placement & Service Matters Cell, Barasat Government College, organized a seminar on *Career Prospects after Graduation for English (Hons./Hons. with Research) Students* on Tuesday, **24 September 2024**. The event took place at 12 noon in the Seminar Hall of the Annex Building and was attended by **29 students**.

Esteemed resource persons Dr. Ambarish Sen and Anamitra Chatterjee, both Assistant Professors of English, conducted an engaging and insightful session that explored the wide-ranging career prospects available to English (Hons./Hons. with Research) graduates. They began by outlining traditional paths such as academia, research, and teaching, emphasizing the importance of pursuing higher studies like M.A., M.Phil., and Ph.D. for those inclined towards scholarly careers. The speakers also shed light on emerging opportunities in content writing, digital media, publishing, copyediting, and technical writing, stressing how strong language skills and creativity are highly valued across industries. Journalism and media studies were presented as dynamic fields that welcome English graduates with analytical thinking and effective communication abilities. In addition, careers in civil services and corporate communication were discussed, with advice on preparing for competitive exams and acquiring professional certifications. The importance of interdisciplinary learning, internships, and networking was underscored. A lively Q&A session followed, where students received personalized guidance and encouragement. The seminar was well-received and proved to be informative and motivating for the participants.

Guidance Session on Career Prospects after Graduation for the Physics (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/05866_Physics.pdf

A guidance session on *Career Prospects after Graduation* was organized by the Placement & Service Matters Cell in collaboration with the Department of Physics, Barasat Government College. The session took place on Friday, **27 September 2024**, from 2:00 pm onwards at the P.G. E-classroom.

The event featured two distinguished speakers who brought a wealth of academic and professional experience to the forum: Dr. Tanmoy Pandit from the Hebrew University of Jerusalem, Israel, and Dr. Md Moinul Islam from APC College, Madhyamgram, India. Both resource persons delivered engaging and informative sessions, offering a comprehensive overview of the diverse pathways available to students in the field of physics. Dr. Pandit discussed the various higher education opportunities abroad, especially in research-intensive institutions, highlighting scholarship programs, international collaborations, and the importance of interdisciplinary learning. Dr. Islam complemented this perspective by focusing on research career prospects within India and the evolving roles of physicists in industry, such as in data science, material science, and electronics. Their talks not only shed light on the academic and professional landscapes but also inspired the audience to strategically plan their future endeavors in physics with clarity and ambition.

The interactive session provided students with practical guidance and global perspectives on shaping their academic and professional futures. A total of **12 students** attended the session, which concluded with a Q&A segment and enthusiastic participation from the audience.

The event was a successful initiative to motivate students towards informed career planning.

Guidance Session on Career Prospects after Graduation for Philosophy (Hons. / Hons. with Research) Students

https://bgc.ac.in/news/admin/uploads/bfcf8_CareerGuidance.pdf

A Guidance Session on Career Prospects after Graduation was organized by the Placement & Service Matters Cell in collaboration with the Department of Philosophy, Barasat Government College, on Monday, **30 September 2024**, at 12:30 PM in the Seminar Room, Annex Building.

The session began with an opening speech by Dr. Jaydip De, Convenor of the Placement & Service Matters Cell. He highlighted the need for early career planning and the role of academic departments in guiding students beyond graduation.

The resource person, Dr. Madhuchhanda Bhattacharyya, Associate Professor, Department of Philosophy, led the session. She discussed various academic and professional avenues open to philosophy graduates, including opportunities in civil services, academia, research, publishing, and corporate ethics.

A total of **39 students** attended the session. It was an interactive and enriching experience, providing clarity and direction to students as they prepare for their future careers.

Career Guidance Programme by Employment Exchange

https://bgc.ac.in/news/admin/uploads/ef350_Career.pdf

The Career Guidance Programme organized by the Placement and Service Matters Cell of Barasat Government College, under the directive of the Government of West Bengal, was conducted on two scheduled days to provide employment-related support and information to students.

On Day 1 (12 November 2024), the session was held for B.A. Honours, General, and M.A. students. The attendance on this day was **65 students**, reflecting a moderate level of engagement and interest among students from the Arts stream. The session successfully conveyed essential information on government-sponsored employment benefits and career opportunities.

On Day 2 (18 November 2024), the session targeted B.Sc. Honours, General, and M.Sc. students. The turnout was comparatively lower, with only **28 students**

attending. Despite the reduced participation, the session maintained its quality and objective, delivering focused guidance relevant to science stream students.

The Career Guidance Programme was significantly enriched by the presence of the Joint Director of Employment, DEE Barasat, who served as the key resource person. Her in-depth knowledge and insights into government employment schemes, recruitment procedures, and available career support services provided valuable guidance to the attendees. She addressed student queries, clarified application processes, and highlighted opportunities under various state-sponsored initiatives. Her active involvement greatly enhanced the quality and relevance of the sessions for aspiring job seekers.

Overall, the programme was beneficial in introducing students to key government initiatives supporting employment. However, the disparity in attendance highlights the need for more effective communication and motivation strategies, particularly for science students. Future sessions could benefit from enhanced outreach and feedback mechanisms to ensure higher participation and impact.

Seminar on Career Prospects after Graduation for Botany (Hons. / Hons. with Research) Students

https://bgc.ac.in/pdf/career_counselling/Career_Guidance_Botany_December_2024.pdf

The Department of Botany, in collaboration with the Placement & Service Matters Cell of Barasat Government College, organized an insightful seminar titled "*Career Prospects after Graduation*" exclusively for Botany (Hons. / Hons. with Research) students on **24 December 2024**. The event, held at the Seminar Hall of the department, witnessed active participation from **44 enthusiastic undergraduate students**.

The seminar aimed to provide students with a clearer understanding of the diverse career paths available after completing their graduation in Botany. Eminent scholars and faculty members — Dr. Nirmalendu Das, Dr. Dibyendu Sekhar Mahanty, and Dr. Mihir Halder — addressed the gathering and shared valuable insights into academic opportunities, research fellowships, competitive examinations, government and private sector roles, as well as entrepreneurship in plant sciences and allied fields.

The speakers encouraged students to pursue higher studies and highlighted the importance of skill development, internships, and interdisciplinary learning. They also responded to several student queries regarding career planning, job prospects in environmental consultancies, biotechnology firms, forest and agricultural services, and research institutions.

Overall, the seminar proved to be highly informative and motivating, equipping students with essential knowledge to make informed decisions about their academic and professional futures.

BARASAT GOVT. COLLEGE
Dept. of Botany

Date - 24.12.2024

"Career Counselling Programme" for Undergraduate Semester I and Post-graduate Semester-I students of Department of Botany, Barasat Govt. College.
Date: - 24.12.2024.
Name of the Co-ordinator: - Dr. Dibyendu Sekhar Mohanta

**Career Counselling Seminar for the Semester-VI students in
collaboration with Govt. Exam Wallah powered by Physics Wallah,
Kolkata Centre**

https://bgc.ac.in/news/admin/uploads/6ada7_CareerCounselling.pdf

A Career Counselling Seminar was organized for the Semester-VI students of our college on **11 March 2025** (Tuesday). The event was held in collaboration with Govt. Exam Wallah, powered by Physics Wallah, Kolkata Centre, and took place at 12:30 PM in the Seminar Hall, Annex Building. The primary objective of the seminar was to guide students in understanding career prospects, particularly in the domain of competitive government examinations.

The seminar commenced with an inaugural speech by Dr. Madhusudan Ghosh, IQAC Coordinator and Associate Professor in Physics. In his address, Dr. Ghosh emphasized the importance of early career planning, the role of skill development in today's job market, and how seminars like this can bridge the gap between academic learning and career readiness. His encouraging words set a positive and enthusiastic tone for the rest of the event. The inaugural session was further graced by the presence of Dr. Sarajit Biswas, Assistant Professor in Physics, and Dr. Nivedita Chakraborty (Dutta), Associate Professor in Bengali.

A total of **83 students** from various departments attended the seminar. Following the inaugural session, representatives from Govt. Exam Wallah took over and delivered an informative presentation on different competitive examinations such as UPSC, SSC, Banking, Railways, and State Public Service Commissions. They elaborated on the exam formats, syllabi, preparation strategies, and time management techniques essential for success.

Additionally, students were guided on how to set realistic career goals, build strong resumes, and improve their communication and analytical skills—factors that are crucial not only for exams but also for personal growth and employment. A particularly engaging segment featured testimonials from successful candidates who had cleared government exams. They shared their preparation journeys and offered motivational insights, which resonated deeply with the audience.

The interactive nature of the session allowed students to ask questions and receive practical advice from the experts. Many students availed the opportunity for one-on-one discussions after the formal presentations concluded.

The event ended with a vote of thanks delivered by Dr. Jaydip De & Dr. Mihir Halder, Joint convenor of the Placement & Service Matters Cell; they acknowledged the contributions of the guest speakers, organizers, and attending students. Appreciation was also extended to Physics Wallah, Kolkata Centre, for their support in making the seminar a success.

In summary, the Career Counselling Seminar proved to be an enriching experience. It offered clarity, motivation, and a roadmap to students looking to pursue careers in the government sector, marking it as a significant step toward their professional development.

Interactive Session on Career Opportunities
in Collaboration with TimesPro- the EdTech Initiative of the Times
of India Group.

https://bgc.ac.in/news/admin/uploads/6bc65_Interactive.pdf

Barasat Government College successfully organized an interactive session on career opportunities in collaboration with TimesPro, the EdTech initiative of The Times of India Group, on Friday, **11 April 2025**. The program was specially arranged for U.G. Semester VI and IV, as well as P.G. Semester IV students, and saw enthusiastic participation, with a total attendance of **157 students**.

The event began with a warm inaugural address by Dr. Jaydip De, Assistant Professor in Geography and Convenor of the Placement & Service Matters Cell. Dr. De highlighted the growing importance of industry-relevant skills, adaptability, and continuous learning in today's dynamic job market. He also encouraged students to explore new-age career options beyond conventional academic paths.

The interactive sessions were conducted department-wise, following the schedule:

- Geography: 12:30 PM, Room No. 102, Annex Building
- Botany: 1:30 PM, Seminar Hall, Botany Department
- Political Science: 3:00 PM, Room No. 2, Main Building

Representatives from TimesPro delivered detailed presentations focusing on skill-based education, professional certification programs, and placement-oriented

training in fields such as banking, finance, digital marketing, business analytics, supply chain management, and IT services. They explained how these programs bridge the gap between academic learning and corporate expectations.

Students were informed about the structure and benefits of TimesPro's specialized courses, job-readiness modules, and placement support. The sessions were highly interactive, with students raising thoughtful questions about career scopes, resume building, interview skills, and preparation for private and public sector roles.

The event provided students with a broader perspective on emerging career fields and equipped them with valuable information for planning their professional futures. It concluded on a highly positive note, with many students expressing interest in future workshops and industry-academia collaborations.

Date: 11/04/2025

To
The Principal,
Barasat Government College,
10, K.N.C. Road, Barasat, Kolkata – 700124,
West Bengal

Respected Sir,

Warm greetings from **TimesPro**, an initiative of **The Times Group**, dedicated to revolutionizing Education and Industry Integration.

We genuinely appreciate **Barasat Government College** authority for successfully organizing such an **Interesting and Interactive Session** regarding **Upskilling & Career Opportunities** with the presence of **57** students on **11th April 2025**.

I hope this interaction will help the students to enhance themselves in an effective manner and will result in building their bright future.

Best Regards,

Suvopriyo Ghosh

Business Development Manager
