

Dengue Awareness Programme

On 22nd September, 2023, the Environment Protection and Nature Cell of Barasat Government College organized an awareness program on prevention of vector borne diseases by displaying posters and slogans made by students of different departments of the college. Our Principal Sir, Dr. Samar Chattopadhyay and Dr. Prabir Bhattacharya, Teacher's Council Secretary inaugurated the program and appreciated the efforts of students. They also motivated them to spread awareness among their family and friends. Finally, the winners were awarded with medals and certificates. All the students received participatory certificates.

The committee members extend heartfelt gratitude to the college authority for allowing conduction of such awareness program in the campus.

1st : Trisha Mondal, UG Sem 1, Chemistry Department

2nd : Puja Dutta jointly with Sagnik Choudhury, UG Sem 1, Chemistry Department

Joint 3rd : Rohini Mondal, UG Sem 1, Chemistry Department

Respected Sir,

This is to inform you that in context with a rise in vector borne diseases like Dengue, Malaria and Chikungunya in the North 24 Parganas District, "Environment Protection and Nature cell", Barasat Govt. College wishes to organise a poster and slogan making drive among PG and UG students as a part of "Dengue Awareness Programme".

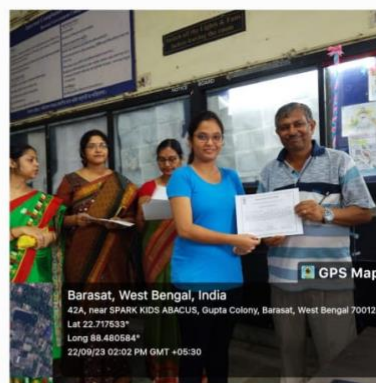

We shall be obliged if you kindly permit to arrange such an event at the college campus on ^{22nd} September and do the necessary arrangements.

Thanking You,

Convener,
Environment Protection and Nature cell

J Ghosh
Dr. Jayati Ghosh

R Chaudhri
Dr. Rituparna Kundu Chaudhuri
