**NOTIFICATION FOR THE FORMATION OF SCIENCE CLUB**

**(DATED 9<sup>TH</sup> SEPTEMBER 2022)**

**TITLE:** Opening of Science Club comprising mainly with the students of the Science departments (Physics, Mathematics, Chemistry, Botany, Zoology, Geography & Economics) to promote Scientific knowledge and create Scientific temperament and awareness in the campus and in the Society.

**OBJECTIVE:** To create a common platform for the discourse of scientific knowledge, innovative thinking and promotion of scientific temperament especially for all science students and in multidiscipline ultimately leading to Holistic Development.

**CONTEXT:** Barasat Govt. College houses 3 Physical, 2 Biological science, Geography and Economics departments, three of which have both UG and PG sections. Since there is no official body to coordinate the interdisciplinary academic and scientific activities of these departments to act on a common ground for exchange of scientific knowledge, know-how and academic information, IQAC suggests the opening of a Science Club. The Science Club can act as a conduit for such sharing of expertise and information and in the process build an organization of co-operative innovativeness.

**PRACTICE:**

1. The Science Club will be formed of students of the UG and PG departments of Physics, Mathematics, Chemistry, Botany, Zoology, Geography and Economics with the voluntary participation.
2. Initially teachers nominated by the Heads of each department along with IQAC members belonging to the science departments will act as mentors to motivate students in joining the Science Club and helping the students to organize its activities.
3. **The activities of the Science Club may include:**

# BARASAT GOVERNMENT COLLEGE

NAAC ACCREDITED 'A' GRADE & DST-FIST SPONSORED COLLEGE
