Subject: Request for the construction of disabled friendly toilets in the college premises

Sir,

With due respect we the conveners of Equal Opportunity cell would like to request you to construct accessible and disable friendly toilets for both boys and girls students with locomotor disabilities, along with ramp and wheelchair facilities. In this connection we would like to draw your kind attention to the recommendation of RPD Act 2016 which advocates the necessity of providing barrier free educational institution to the specially abled students, and the construction of disable friendly toilets is an integral part of it.

Hance, we would like to appeal to you to consider the above and take necessary action for assuring the specially abled students a barrier free college campus.

Thanking you

Yours Faithfully
