Annual Report of College Students Grievance Redressal Cell

Academic Year: 2021-2022

The college was opened for regular academic work after a long period of lockdown due to COVID-19 pandemic. We are gradually acclimatizing with the new rule of maintaining social distancing while doing our regular duties with a human face. Along with the whole world we are trying to get back to our normal academic and administrative work as much as possible maintaining social distance.

The college grievance committee conducted three (3) meetings after the resumption of the regular college activities and implemented the following suggestions for the year 2021-22. Students requested to clean up the benches and classrooms as they were not in use for a long period of time. They were also appealed to repair the black/white boards as many of them were dusty and not ready for use. In the present year, the Committee received four grievances which concern mainly with mark sheet rectification related issues, proper cleaning of toilets, proper lamp in dissection laboratory. The Committee in the subsequent meetings thoroughly discussed the issues and intimated the problems to the college authority for sharp and satisfactory redressal.

Convenor,
College Students Grievance Redressal Cell
Barasat Government College
Associate Prof. & Head
Department of Chemistry
