Annual Report of College Students Grievance Redressal Cell

Academic Year: 2020-2021

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute. This year was unlike the previous years because of the sudden outbreak of covid-19 pandemic which suspended and paralyzed normal human life including the academic activities in the educational institutions restricting all the teaching learning modalities into virtual / online mode. This year no grievances was submitted in writing as the college premises was off ground and mass gathering was prohibited by the strict Covid instruction.
