## About Barasat Government College

Barasat Government College, 10, K. N. C. Road, Barasat, North 24 Parganas, Kolkata - 700124, has started its journey in 1950. In 1956, citizens of the locality formed the "Govt. College Up gradation Committee for Degree College" to work for the up gradation of the institution to Degree College, and succeeded in establishing an Arts section from 1956-57. Space for a science section could not be immediately found, but the Intermediate course in Biology was started from 1957-58, practical classes in first floor of one of the buildings.

In 1962, the College was shifted to its new building comprising of the office, Principal's chamber, Professors' room and the library. Soon after that the degree course in different science subjects commenced of which Honors curricula were taught in Physics and Chemistry at the second floor of the Science building. In 1993, the present science building was inaugurated where the departments of Physics, Mathematics, Geography and Bengali were shifted later. In 1996-97, Honors courses were introduced in the departments of Botany and Zoology. Later in 2003, the department of Botany was elevated to the status of post-graduate(P.G.) departments and achieved its academic autonomy in 2004. Presently the college is affiliated to the West Bengal State University and offers Honors courses in 13 different humanities and science subjects, 3 General courses and Post Graduate courses in four subjects viz. Botany, Zoology, Physics and Bengali. Furthermore. The college also has a unit of Netaji Subhas Open University.
