

**TAKE
CONTROL**

**STOP
AIDS**

**LET US
STAND UP &
CREATE
MORE
AWARENESS
FOR A
HAPPY
FUTURE ON**

World AIDS day

1st December

- **Never share needles and use sterile needles.**
- **Get tested and treated early.**
- **Avoid unprotected sex.**
- **Be aware of contaminated blood transfusions.**
- **Avoid breast feeding who are infected.**

Today AIDS is not death sentence. We can ensure an AIDS-free world by making everyone aware of this disease.
