

# Forests: The Lungs of Our Planet

## International Day of Forests

21 MARCH

Barasat Government College  
Department of Botany

Forests are the solution:

Deforestation is the problem :

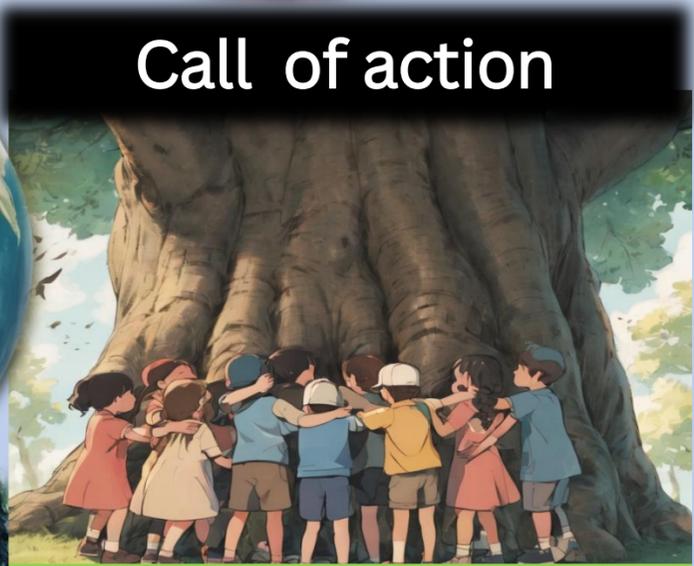

clean air, water, better climate

Increase in pollution,  
climate change

Absorb 2.4 billion metric  
ton CO<sub>2</sub> / year

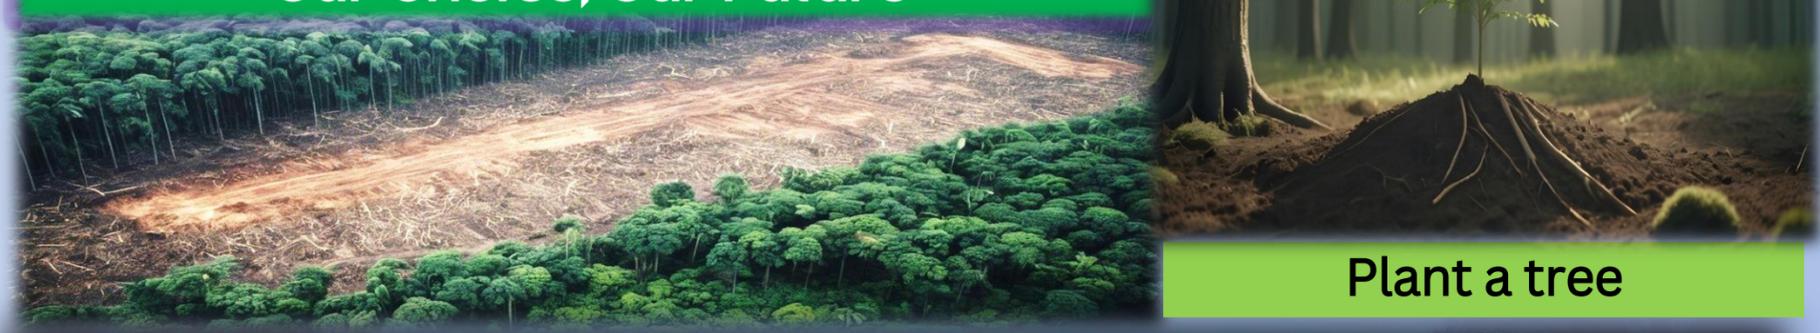

Call of action

Save forest : Save Earth

Habitat of other organisms

Our Choice, Our Future

Plant a tree

### Plant a Tree, Protect Our Future
